

Our Logo

The logo for Inperium, Inc. suggests that our world is imaginative and comprised of many layers, full of the abundant prospects, associations and connections that need to be practical, poised and all working in synchronization if our utility is to be meaningful; translated in Latin the meaning of the word Inperium represents command, mastery & order.

The need for this utility is represented in the logo by the abstract rings creating a realm that calls to mind a hive, galaxy or collection all working in unison with the fulcrum of the logo represented by the abstract functioning as the unifying support axis reflecting the stability, forte and coordination that Inperium, Inc. brings to its affiliated organizations

The word Inperium is the foundation on which the realm is situated & acts as the asset that supports the logo. This foundation provides the organizations they support to function at their highest levels of productivity and meet whatever systemic challenges are encountered.

Capital Campaign

Foundations for Life

INPERIUM, INC.

Inperium, Inc. was founded in January 2016. as a Pennsylvania non-profit corporation headquartered in Reading, Berks County, Pennsylvania. Inperium is the sole member of non-profit agencies that provide mental health, intellectual disability, and other health-related supports and services.

Inperium was established to support and oversee its affiliated companies to assure that quality services and continuity of care are consistently provided to all individuals in a way that makes efficient use of available public funding.

Inperium, Inc., is governed by a Board of Directors comprised of its Officers and independent members of the communities served by Inperium's affiliated companies.

Inperium's affiliates include:

- Supportive Concepts for Families, Inc.
- Person Directed Clinical Services, LLC
- Callan Housing, LLC
- Harmonycrest Personal Care Services
- Community Prevention Partnership of Berks County

Capital Campaign

Inperium, Inc. is embarking on a Capital Campaign to fundraise cash and capital to offset real estate expenses in support of Inperium's affiliates collective missions with a direct benefit to Callan Housing, LLC.

Capital is needed to complete the PA 5-prong HUP test in order to achieve Purely Public Charity (PPC) status. By achieving PPC status Callan will be able to save costs associated with taxes on real estate allowing the savings to be reinvested into more homes to support children moving to adult housing due to lack of capacity, shelters being maxed out and not having the ability to return to aging Family homes.

For more information or to find out how you make a tax-deductible contribute visit: www.inperium.org or call us today at: 1-888-270-5753

About Callan Housing, LLC

Callan was established to create housing opportunities that would be otherwise not afforded to those that are disadvantaged from an aging, developmental delay or mental status perspective. Our unique approach will create opportunities for housing to the population in need that will be "person-centered" & "homelike" and have characteristics that meet the unique needs of the people that will call these houses their homes.

The ability to own the properties creates a situation where the residents are granted the opportunity to age in place or in other words have clean, safe, functional housing with an emphasis on person-centered or needs specific adaptations & homelike environments that permit the residents to live out their life in a singular home vs. multiple homes throughout their lives. This allows the residents the honor of being able to age in place and pass away in the comforts of their own home.
