Ladies and Gentlemen:

I alert you to the transaction described below.

Transaction

Inperium, Inc., has entered into a definitive affiliation agreement with Wake Enterprises, Inc., a Raleigh, North Carolina-based nonprofit organization. Terms of the affiliation agreement were not disclosed but included a transfer of consideration to Wake Enterprises, which established Inperium as Wake's sole member.

Wake Enterprises' mission is to assist people with disabilities to achieve their maximum level of independence. Wake's services include North Carolina's oldest supported employment program as well as vocational, day and business services. Commenting on the affiliation with Inperium, Wake's CEO Walter Weeks explained: "This transaction not only enhances our organization's sustainability but also provides resources to expand our services to a degree that would be unachievable otherwise."

Inperium Chief Executive Ryan Smith commented: "This transaction is Inperium's first of Fiscal 2019, and the first of several affiliations we expect to conclude in North Carolina in the year ahead. Wake's exceptional governance and management constitute an ideal platform from which to expand and extend our service offerings across North Carolina".
